

Didsbury Constituency W.I.s Hold Informative Meeting

The Didsbury constituency, consisting of ten institutes, held its annual conference in Knox United Church on Monday, with 65 members registering. Mrs. H. Richardson, convenor, was in the chair.

Mrs. Roberta of Drumheller, director, and Mrs. Hughes, secretary, were unable to be present because of illness in her family. Mrs. Ethel Reinhardt took the latter's place.

Mrs. Arnold McCulloch of Banff, welcomed the delegates and visitors. Mrs. Glen Roberts gave the reply.

The secretaries of the various branches reported on their membership, money raised in the past year and how it was obtained. The convenors of the standing committees were then called to the platform and gave their reports, as a panel discussion, which proved to be very interesting and informative. Some reported films had been used for meetings and many had taken advantage of Miss Howard, district home economist, and her talks on various subjects.

A report was made on the rest room donations. Lunch was then served by Knox United Ladies Aid.

At the afternoon session minutes of last year's meeting were read and adopted and Mrs. Richardson gave the financial report, which was in good standing. Reports were received from three of the four girls' clubs, who appear to be having good meetings with wonderful leadership.

Melvin W.I. was then presented with the handicraft prize, a cash box with their W.I. name engraved on it. A lively handicraft discussion took place, the final decision being that each W.I. could enter 10 articles at the handicraft fair, to follow the list in Home and Country. For instance, in the knitting class there are nine classes and any or all of these could be shown but no one member can do two sweaters or two pairs of socks, just one of each; five points being the highest mark for any article.

It was decided to support the United Appeal and several volunteered to canvass. It was also decided that of the \$200.00 left in the rest room fund, \$200.00 be sent to the Lions Club to help pay off the debt and the rest be put into a fund to help running expenses.

The project for the coming year will be to help purchase a deep freeze for the Senior Citizens Home and for each W.I. to provide a foot stool for the local hospital at their own discretion.

Mrs. Paul Hauser thanked Mrs. Richardson and her secretary pro tem, and all others who contributed to make the conference so very successful.

It was decided to send flowers to Mrs. Roberts, district director.

A MOMENT WITH MONS...

A smorgasbord supper at 6:30 p.m., lower room of the Redeemer Lutheran Church, will precede the regular monthly meeting of Mons Chapter, I.O.D.E. Entertainment will follow a brief business meeting in the Lions hall at 8 p.m.

Members please note this will be the final meeting of the 11th instead of the usual Thursday.

LIGHT YOUR WAY

One man confessed that he went to church for 40 years, but never heard a sermon. When asked how this was possible, he replied: "As long as the minister started to preach, I would go over my last week's business, and make plans for the coming week."

God gave us the command: "Remember the Sabbath Day to keep it holy." In the New Testament era, the Christian Church observes Sunday as its Holy Day. The early Christians chose Sunday for various good reasons. It is the beginning of the week, and there is no better way to begin the week than by hearing the Word of God.

It was on Sunday that our Lord Jesus Christ rose from the dead, and this every Sunday reminds us of His resurrection and also ours.

Fifty days after Easter, the Holy Ghost came upon the disciples and the Christian Church was formed. Yes, Sunday reminds us of the three persons of the Trinity. Actually, every day is to be regarded as holy by the Christian. But Sunday has been selected as a day of public worship.

To go to church and be preoccupied with all manner of other thoughts is tantamount to despising God's Word. Others despise God's Word by not going to church at all. Again, others, whom we call Christians and Easter Christians, that is the only time they (are seen in church) are also despising the Word of God. Still others, come and listen, but with a critical, unbelieving ear and heart. And finally, we also have those who come, hear, believe, but never do carry out what the Word of God encourages them to do.

We today need the comfort, the strength, the guidance of God's Word. Every Sunday, God, thru the Christian Pastor, brings us the wonderful message of His love: "God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them." That is the message of the ages — and we need it. May we see you in Church this Sunday.

On Wednesday evening, May 28, final plans were made for the canvass of the Didsbury community for the United Appeal. The response to publicity so far has been encouraging to the extent that several new canvassers have volunteered their services for this very worthwhile cause. The thanks of the committee go out to the people who wrote or phoned their offers of help. One lady even submitted a listing of her whole district with the offer to canvass all of it. Her offer is being gratefully accepted.

District captains have been appointed and they will get in touch with the individual canvassers in their district.

District captains will obtain their receipt books from Howard Allison at the Didsbury Lumber Yard.

The meeting agreed to try to clear up this year's campaign completely during the month of June.

To ease the work of the canvassers, please decide now what you can give to assist in this campaign. The Red Cross, The Salvation Army, The Canadian National Institute For The Blind and the Police Foundation all need your help.

Have your year's campaign completed when he calls. This will be the only canvass this year. With your help it can be a success.

Local Golfers In Action...

Two basic rules of water safety are being violated by these boaters. The skipper of the craft is spending too close to a solid object, such as the wharf, and he is allowing one of his passengers to stand while the boat is in motion. These and other matters pertinent to all Division of the Canadian Red Cross Society, and the Alberta Safety Council, will be chaired by H. P. Brown, chairman of the water safety committees of both Lethbridge, June 11 and 12. The session, sponsored by the Alberta...

Final date for the mailing of ballots on the second plebiscite on the proposed Alberta Egg Marketing Plan is expected to be August 30. Hon. L. C. Malmström, minister of agriculture, said following a meeting of his advisory committee.

The plebiscite will be conducted during the months of June, July and August. Enumeration of electors will commence about the middle of June and should be completed about July 10. Following this enumeration the preparation and revision of the voters' list will take place in preparation for the mailing of ballots to the voters early in August. Electors will have a period of approximately three weeks in which to complete their ballot and return them to the Returning Officer in Edmonton.

Those entitled to vote will be producers having 50 or more female fowl or laying hens. The actual ballots will be done by mail with ballots being forwarded from a returning officer in Edmonton to each person eligible to vote.

Harmattan News

Mr. and Mrs. Lou Workman had as their guests Mr. and Mrs. Clive Townrow and children, Janetta, Ken and Ronald, of Haldimand, Australia. The visitors were entertained at a weiner roast Sunday at which 16 relatives from Calgary and Edmonton were present.

The Harmattan Home and School Association met for their May meeting at the school. It was decided to raise funds for the school picnic by each family donating \$1. The sewage question was discussed. Owing to the lack of interest and attendance, discussion took place on whether or not to continue the organization. However after a vote it was decided to keep on for another year. New officers elected were: president, Jean Conrad; secretary, Mrs. Art Waldorf; vice-president, Mrs. Howard Moore. Room count was taken and Mrs. Turnbull's room won the pennant.

The next meeting will be held on the third Tuesday in September. A successful track meet was held at Harmattan school on Friday, May 29th, with around 250 youngsters participating. Schools represented were Hainstock, Westerdale, Bergen, McDouall, Platts, Inverness and Harmattan. The latter school won the award. However, the cup which has been passed around yearly was burned at the Berrydale school fire, so will have to be replaced.

Miss Roseanne and Diane Beauchamp are visiting with their grandparents, Mr. and Mrs. A. Nokes for several days.

Warren Baustad, who has been home with his parents, is now trucking around Red Deer.

Mr. Dick Slang of B.C. was a recent visitor at the home of Mr. and Mrs. Ernie Slang. While here he attended the graduation of his daughter, Miss Joyce Slang of Red Deer.

Mr. and Mrs. Bill Dodd and Mr. and Mrs. Joe Lucas attended the graduation and banquet on Friday, May 30th at Sundre high school. Glen Dodd and Leonard Lucas were two of the graduates.

Canvassers On The Move For The United Appeal

On Wednesday evening, May 28, final plans were made for the canvass of the Didsbury community for the United Appeal. Local Golfers In Action...

Fifteen ladies drove off together from the first tee last Thursday to participate in the "Honey Pot" competition. This was eventually won by Mrs. Jean Shields. This week the competition will be "Average Score" and next Friday, June 12th, it will be Medal Play, run in three flights. Ladies who take part in the weekly competitions and who do not play on Thursday afternoons must hand in their score cards on Thursday evenings. They have all the previous week to play.

A two ball mixed foursome will be held on Sunday, June 22nd. Those members of the Legion and Auxiliary wishing to participate should send their names to Dr. Miller by 14th June.

Sunday, June 8th, marks the date of the first girls' medal play of the local golf club. It will be 18 holes of medal play and this will be played under the Galloway handicap system with two flights.

It is hoped that every male member of the club will be out for this event as the committee are trying to establish handicaps for all players. Competitions are the life blood of your club and if you don't turn out for them your club is on the down swing. There are some very nice trophies this year which everyone has a chance to play for and win.

You are asked to leave your cards duly witnessed in the clubhouse or with J. Millar at Haldimand's store.

Players are permitted to play their rounds on either Friday, Saturday or Sunday provided their score cards are marked by someone else.

The lowest scratch scores recorded will be asked to represent Didsbury in the first game of the Canuck championship, to be played here on Sunday, June 15th.

Mr. and Mrs. W. Valley and Mr. W. Herbert attended the Lacombe bull sale last Wednesday.

Didsbury Pioneer Passes In B.C.

Mrs. Pearl Mae Honey, a former resident of Didsbury and Olds, of Surrey, B.C., passed away in Royal Columbian hospital on May 26, at the age of 72 years.

She is survived by three sons, Lyle, at Cloverdale, Norval at Surrey, Gayle, at Toronto, Ont.; one daughter, Mrs. Dave Janzen, Didsbury; one brother, L. V. Skingle, Didsbury; one sister, Mrs. Blanche Rose, Cloverdale, B.C.; 19 grandchildren and 10 great-grandchildren.

Funeral services were held May 28 from Chapel Hill Funeral Parlor, White Rock, B.C. Interment took place at Valley View Memorial Gardens.

It is hoped there will be a good turnout from the rural areas as these are the spots that will benefit from the added protection that has been suggested.

Fire protection meeting set for Thursday.

Firemen and other interested parties are reminded of the fire protection meeting to be held in the Lions hall at 8:45 p.m. tonight (Thursday).

Mrs. G. Anderson Laid To Rest

A long-time resident of this district, Mrs. Bella Gertrude Anderson, died in Didsbury Municipal hospital on Monday at the age of 59 years. Born in Breslayer, Sask., she moved to Didsbury in 1934.

She is survived by her husband, George; two daughters, Mrs. Lawrence Krebs and Inez, both of Didsbury; two sons, Haualee of Didsbury and Orval of Edmonton; seven sisters, Mrs. Thomas Swain, Kamloops, B.C.; Mrs. Alice Whyte, New Westminster, B.C.; Mrs. Oliver Fields, New Westminster, B.C.; Mrs. Victor Cook, North Battleford, Sask.; Mrs. Stanislav Ballestyn, New Westminster, B.C.; Mrs. Glyn Smith, New Westminster, B.C.; Mrs. Emerson McInnes, Didsbury; three brothers, Mr. Alex Sayers, Victoria, B.C.; Mr. Bert Sayers, North Battleford, Sask.; as well as nine grandchildren.

Service was held at Knox United Church on Wednesday at 3 p.m., with Mr. Andrew Drummond officiating. Interment took place in Didsbury cemetery.

'MOUNTAIN VIEW'

Mrs. Doreen Pratt spent Thursday night as a guest of Miss Sharon Hunsinger.

Little Miss Janet Bray of Olds visited for a few days last week with her cousin, Norman Pratt.

Mr. and Mrs. Alfred Snyder and family were Sunday dinner guests of Mr. and Mrs. John Snyder and family.

Several ladies of Didsbury and district attended a shower in Olds last Wednesday evening for Miss Nellie Sullivan. They included Mrs. Nancy Freeman, Mrs. Glen Roberts, Mrs. Doug Gooding, Mrs. David Pratt, Mrs. Henry Penner and Mrs. Charles Snyder.

Mountain View W.I. was well represented at the constituency conference held in Didsbury on Monday. Those attending were Mrs. Trev Morgan, Mrs. James Worrall, Mrs. Freeman, Mrs. Glen Roberts, Mrs. Doug Gooding, Mrs. David Pratt, Mrs. Henry Penner and Mrs. Charles Snyder.

Mr. and Mrs. Ernie Cullen and Bob were Sunday dinner guests of Mr. and Mrs. James Worrall.

LAUNCH DRIVE FOR EQUIPMENT

Canadian Legion Zone 2, District 5, announces that they are again sponsoring a magazine subscription campaign. The purpose of this is to supply sick room equipment for temporary home use.

A similar drive was conducted last year and although there was a bit of confusion the drive was a success, as four wheel chairs and one hospital bed was purchased. This equipment has been in constant use and at present all of it is in use.

The drive is now underway and proceeds will be used to buy invalid walkers and more wheel chairs.

Those called on during the campaign should ask to see a letter of introduction from the zone, which all representatives carry.

RUSSELL FAMILY HOLD FAMILY REUNION

The Dan Russell family held a family reunion on May 25th. Those present included Mr. and Mrs. Ronald Scheuk and son of Mitchell, Ont.; Mr. and Mrs. Wilfred Scheuk of Walkerton, Ont.; Mr. and Mrs. Leonard Russell and family of Calgary; Mrs. John Towle and boys of Lacombe; Mr. and Mrs. Les Evans, Marmston, B.C.; Mrs. Charles Byrd and daughter, Mr. and Mrs. Harold Russell and Keith, Mr. Danny Russell, all of Elkton; Mr. and Mrs. Dan Russell of Didsbury and Mr. Thomas Scott of Calgary.

Seems Like There Is A . . .

Small competition underway. Didsbury and district has challenged Olds (our northern suburb) to a wee duel. The game has to do with the blood donor clinic to be held in these parts early in July. A small trophy will be presented to the town that comes up with the mostest of the bestest — that life-saving fluid. Get your sleeve rolled up on July 4th — we can't let those people on our outskirts get the idea that they're more red-blooded than we are!

Just For The Record . . .

It's going to cost you more, to get less, if you're figuring on picking up your Alberta government dividend gift (?) this year. They tell us now we have to make a declaration before a commissioner of oaths; (they don't work for nuthin') before the reduced dividend reaches our pocket. Kinda' think we'd sooner play poker — in that game you at least have a chance to win.

Time To Lay Off ???

We've had any number of letters in our columns recently as regards the hail suppression flare-up — some for it, some against it; some good comments, some not so good. We'll print them every time, but don't you guys and gals think it's time for a breather. Let's wait and see what the coming season has in the clouds for us before we throw any more rocks in any direction. Agreed?

SERVICE BOARD

NOTES

Agricultural Service Board

Important steps to chemical weed control.

1. Sprayers and dusters should be repaired, serviced and ready to go when the time is right. A day wasted when the time is right can be costly.

2. Use the right chemical. Use 2,4-D on wheat and barley and for situations where there are a certain hard to kill weeds. Use MCP on oats and flax.

3. Apply chemical at the proper rate. The rate selected will depend on the harder-to-kill weeds we hope to control rather than the very susceptible. Use a higher rate when weeds have more than 4 leaves.

4. Know what you are doing. Don't confuse the acid content of a gallon with the fluid content. Chemical with 64 ounces of acid per gallon contains 8 ounces of acid per pint. Application rates are always based on the acid content per gallon of any chemical whether 2,4-D, MCP or etc.

5. Spray or dust early and use enough to do the job properly. The removal of heavy weed competition from a growing crop in the early stages can increase the crop yield by as much as 25 per cent.

Too many disappointments arise from "too little and to late."

MAIL APPLICATIONS FOR OIL DIVIDENDS

Application forms and instructions covering payment of this year's \$17.50 Alberta oil and gas royalty dividend now in the mail, provincial treasurer Hinman said Friday.

Mailing is expected to be completed next week and Mr. Hinman said he expects completed forms will begin to arrive at government offices any day now.

More than 350,000 forms are being mailed and another 150,000 are available on application at government offices and treasury branches.

The dividend payments, from one-third of the oil and gas royalty revenue received by the provincial government, was begun last year when qualified persons received \$20 each.

Dividends are paid to persons who have lived in the province during the last two years and for a total of 10 years, who are over 21 years of age and are either Canadian citizens or British subjects.

Applicants this year must make a declaration before a commissioner of oaths, for which Mr. Hinman said the maximum charge is 25c.

Cheques will be mailed after the government royalties dividend branch processes applications. The legislature appropriated \$10,000,000 for this year's dividend fund.

Last year, when banks and provincial treasury branches paid the dividend in cash after individuals took an oath and signed a declaration, found many persons charged with obtaining more than one dividend or obtaining the dividend illegally.

The mailed application was instituted to prevent similar happenings this year.

In 1957, the government paid out \$40,000 dividends.

FARMERS' DAY . . .

June 13th is Farmers' Day. A lot of people spent a lot of time getting the Government to recognize it as such, let us, as farmers observe it.

Has your local made its plans? Are they finalized? Are you going? If not, get some neighbors around you, and plan to attend one that is not too far off. There is bound to be lots of them. At this time most of the crop will be in the ground. I know that if this work still isn't done, the work keeps right on going. However we all have to get out with our family once in a while on a good old fashioned picnic.

What better place is there to find out that your neighbor down the road had the same difficulties in getting that cast 40 in. or Bill, up the road, had a break down too and he lost a day in waiting for repairs. Watching the kids knock a home-run or win a race is all great relaxation which many of us still fail to appreciate enough.

Let us this year, make sure that this Farmers' Day of 1958 will be one of the best ever had by the farmers of Alberta. If you haven't made your plans, get out and make them. Call up the neighbors, get your local together and plan a bang-up Farmers' Day picnic or dance. Then let's publicize it, let's tell the people that the farmers are observing their Farmers' Day holiday and observing it as it was intended by those who worked so hard to have it established.

PLYMOUTH HAS THE EDGE IN PRICE!

It's the lowest priced of all leading cars built in Canada. And that's not all!

- You get the highest trade-in allowance of the year, right now, when you buy a new Plymouth!
- You get your choice of 21 models — all priced lower than comparable models of other leading Canadian cars!
- You get at these low prices a full-sized car with full-sized roomy comfortable interiors — and Plymouth parks easier, drives easier, handles easier than any other car on the road.
- You get the biggest windshield, biggest wipers (and they're electric!) and biggest trunk in the low-price field!
- You get Plymouth's advanced Torsion-Aire Ride. (It doesn't cost a cent extra, yet independent tests show it's superior to "special" ride systems that add as much as \$150 to the cost of other cars.)

Check Plymouth now! You'll never buy more . . . for less!

THE Homemaker

By HELEN HOWARD
District Home Economist

HELLO FRIENDS:

Last week we were discussing
June Showers and I promised some
more hints on buying gifts for the
Bride-to-be.

Buying Bed Linens

There are two types:
MUSLIN is heavy weight, long
wearing, coarser and less expen-
sive than percale. It is a good
practical choice.

PERCALE is softer smoother, light
weight and closely woven. It is
more expensive and not quite as
strong as heavy weight muslin.

Thread Count - The label should
tell how many threads per inch and
the better sheeting has a high
thread count. Good muslin should
have 110-140 threads per inch. Per-
cale has 180-200 threads per inch.

Check these points on sheets:
Even weave; firm strong selvedge;
good hem; correct size.

Warmth Without Weight

The new orlon blankets on the
market are good news for the
homemaker or bride.

They have these features: They
are soft and silky; light in weight;
have resistance to moth or mildew;
nylon satin binding will wear as
well as the blanket; completely
washable - put in your machine
for 5 minutes in warm soapy water
or wash by hand; for drying you
may use a spin dryer or tumble
dryer at low heat. When doing
by hand avoid vigorous wringing
and twisting (just squeeze water
out). Since orlon absorbs little
water it is easy to handle when wet.

Got Those Lunch Box Blues?
Do your lunches need a "shot in
the arm" this last month of school?
By now both mom and kids are
tired of lunches so perhaps some
new ideas would help.

Flavored Butter - Work a little
chili sauce, chopped onion, grated
onion, horse radish, Worcestershire
sauce, mustard, lemon juice, or
other flavors or spices into your
butter or margarine.

Raw Relish - At this time of
year especially, raw crisp vegetables
such as celery, lettuce wedge, car-
rot, and tomato are welcome.

Double Decker Sandwiches - al-
ways tempt young appetites es-
pecially if brown and white bread
are used. Make the fillings plenti-
ful and moist.

Surprises - Something different
tucked in each day keeps young-
sters interested and makes eating
lunches an adventure. The "sur-
prise" can be a twist of wax paper
with dried fruits, nuts, candy or
any other favorites.

Here is a cooky recipe that will
be a favorite with both you and
the family:

Kangaroo Cookies

1/2 cup butter (soft)

1/4 cup brown sugar, firmly

packed

1 tsp. grated lemon rind

1 tsp. vanilla

1 egg, separated

1 cup sifted flour

1/4 cup water

1/6 oz. semi sweet chocolate bits

1/4 cup brown sugar, firmly

packed

2 tsp. sifted icing sugar

Blend butter, 1/4 cup brown sug-
ar, lemon rind and vanilla. Beat
in egg yolk. Add flour alternately
with water. Add chocolate. Beat
egg white till stiff but not dry.
Beat in 1/4 cup brown sugar gradu-
ally till stiff and satiny. Fold into
semi-sweet mixture. Spread in
greased and floured 8" square pan.
Bake at 350 degrees F. for about
25-30 minutes.

Notes From D.A.

By Howard J. Fisher

Extensive low areas of low land
now practically wasted or growing
low quality sloughs could pro-
duce large amounts of good qual-
ity forage if seeded to Reed Canary
grass. These areas which are low
lying and flooded for long periods
in the spring are dry this year.

Reed Canary is adapted to growing
under flooded conditions and pro-
duces heavy yields of good quality
hay, it also makes satisfactory pas-
ture.

Land which is subject to flooding
for two or more months in the
spring and relatively free from alk-
ali makes an ideal location for seed-
ing to Reed Canary. Seeding in
the fall is satisfactory; seeds can
lie under water for two months in
the spring and will germinate and
grow when the water goes off.

With dry conditions this year it
could be easy to work up these
low areas and prepare a seed bed.
All native grasses and other plants
should be destroyed and a firm
seed bed formed. Drilling in the
seed is more successful than broad
casting, seed one inch in depth in
the case of this grass. Seeding rates
can vary some but six to eight
pounds will give a good stand. The
plant has a creeping root system
and resulting stands will thicken
up in a year or two.

Spring seedings are satisfactory,
but often under normal moisture
conditions must be delayed too long
due to excessive moisture in these
low areas, forcing fall seeding.
However with conditions as they
are this year the land in many cases
can be worked upon now and a
good seed bed formed, seeding fair-
ly soon or left to fall as conditions
warrant.

These low areas if seeded to a
satisfactory crop will produce many
tons of good fodder and thus be-
come a productive area of your
farm.

Newspaper Readers
Have Varied Reasons

A person may read newspapers
because he hates his wife's second
cousin.

Dr. Byron Casey, Michigan has
found a number of strange reasons
why people read newspapers.

Many people have inner hatreds
toward some person but "being law-
abiding individuals they do not
demonstrate this hatred by acts
of either violence or expression."

Instead a reader concentrates his
hostility on the unfortunate stran-
ger who is being written up. It
relieves his hatred of his wife's
second cousin," Dr. Casey explains
in The Michigan State University
Magazine (May).

Comic strips, Dr. Casey calls the
"escapist part of the newspaper"
which gives readers relief from the
problems, cares and worries of real-
ity.

When a politician in the news
makes a mistake "we experience
much satisfaction because we know
the we, if we were politicians,
would never make such a dumb
mistake" says Dr. Casey.

The unusual reason, notwithstand-
ing, Dr. Casey emphasized that the
majority of people read because
newspapers keep them advised of
local and world affairs and tell
what other people are doing and
thinking.

DISTRICT NEWS**M.V.B.C. NEWS**

(From Our Own Correspondent)

Conference went into session Tuesday morning with Rev. Kenneth Geiger, general superintendent of the United Missionary Church, and his co-chairman, Rev. H. A. Traub, in charge. The members are billeted at the College, and this will again be a busy place as they do church business for the three days allotted to them. Mr. Geiger will speak again on Thursday evening of this week, so that those who were not aware of this may still get to the church in time to hear him.

President Taylor and the four young people of the College who accompanied him, returned to the campus on Monday evening. The young people will remain here during the month of June and will help build the Youth Centre.

Miss Gladys Eby will be away on vacation the remainder of the month. She leaves for the coast on Saturday. Mrs. Ormand Sherick will do the office and library work for her during this time.

Little Keith Taylor celebrated his sixth birthday on Wednesday. He is looking forward to school this fall.

Mrs. Lydia Suder returned from her trip to the east this week. She is a happy grandmother now, and had the pleasure of seeing her grandchild (a girl, by the way) while in Ontario, and later in Montreal. Mrs. Suder will be accompanying the Taylors to take work in the Winona Lake School of Theology this summer. Mr. Taylor is continuing his work there this summer and will graduate a year from now.

Miss Dorothy Thompson of Red Deer was a guest in the home of Mrs. Taylor over the past weekend. She teaches in the Nazarene College department.

Mr. and Mrs. Clifford Reimer have returned from their honeymoon and passed through Didsbury on their way to Banff. They will return here for their fourth year of work in the fall.

We shall not be able to write a column for the next several weeks, being away on a nice long vacation. We shall return in July and pick up the news then.

CHRISTIAN SCIENCE

The supremacy of God, Spirit will be set forth at Christian Science services Sunday.

Scriptural readings in the Lesson-Sermon entitled "God the Only Cause and Creator" will include the following Psalms (33:6): "By the word of the Lord were the heavens made; and all the hosts of them by the breath of his mouth."

Correlative passages from "Science and Health with the Key to the Scriptures" by Mary Baker Eddy will include the following (170:22): "Scriptural causation is the one question to be considered, for more than all other spiritual causation relates to human progress. The age seems ready to approach this subject, to ponder somewhat the supremacy of Spirit, and at least to touch them of truth's garment."

CREMONA NEWS

(From Our Own Correspondent)

A "Spring Prom" was held in the auditorium on Friday evening, May 30th. The students decorated the room beautifully. A presentation was made by Margaret Mork to Marjorie Bird, Students' Union president in appreciation of her work throughout the year. Pretty girls semi-formal gowns, good music and lunch served by the Home and School Association, combined to provide an enjoyable evening.

The bi-monthly meeting of the Sewing Circle was held at the home of Mrs. Van Haften last Wednesday afternoon.

Mrs. Marion Reid plans to leave on Monday morning to visit down east with her daughter Lillian and family and from there will go to Europe on a tour with a group of 29 church members. She expects to be gone about two months.

Richard Barlowe celebrated his birthday at his home last Saturday. He shared his birthday party with his little brother, Brian, whose birthday was last Sunday.

Mr. and Mrs. L. Randolph and Mr. and Mrs. Slack, of Red Deer, were Sunday visitors at the Rattay home.

Roy Lyndike was fortunate last week in that the injuries he received in an accident were no worse. He was kicked in the face and chest by a horse and spent one day in hospital, had stitches put in his lip, but now is being considered as doing O.K.

A field day was held by the district 4-H Clubs, including Cremona, at the McNaughton farm, west of Didsbury, on Saturday, May 31st.

BERGEN NOTES

(From Our Own Correspondent)

A bridal shower was held recently for Miss Frances Ella, bride-elect of early June, when Mrs. Bruce Erickson entertained on the afternoon of May 31st. Miss Ella had been honored previously when a shower was held in her honor in the Sundre W.I. hall on the evening of May 2nd.

Mr. and Mrs. Ray Molness were weekend visitors at the home of Mr. and Mrs. Endrid Molness. On Saturday they attended the funeral of their aunt, Minnie Christensen, of Sundre, at the Cids Funeral Home.

The Ladies' Aid meeting was held at the home of Mrs. D. O. Clark on Thursday afternoon. Cemetery day was set for June 18th. Next meeting will be at the home of Mrs. Corner.

Michael Wilde was among the nine graduates of Sundre school who were feted at the annual banquet in the school auditorium on Friday evening, May 30.

Mr. John Haug is again a patient in the Didsbury hospital.

The Golden Text is Psalms (145: 10, 11): "All thy works shall praise thee, O Lord; and thy saints shall bless thee. They shall speak of the glory thy kingdom, and talk of thy power."
